

What our customers think

"MR Fire and Security Group have always provided us with clear answers to our security questions for over fifteen years. They give us genuine, individual and cost effective solutions that provides our Group with genuine value for money. Installations are managed smoothly and professionally from consultation to installation, service and maintenance and because of this we are expanding our relationship with them to increase the percentage of the estate they currently look after. I would be happy to recommend them to any company associated with us"

Bill South
William Hill
Head of Security

"Excellent service, good value, effective professionally managed installations. MR Fire and Security Group have set a high standard. We have been working with them for a number of years and look forward to the relationship to continue for many more. Winters has plans for the future and MR Fire and Security Group are a big part of that future".

Michael Winters
Managing Director
Winters Electrical Services Ltd

"MRFS are a very established fire and security firm and we are very pleased to be working as a partnership with them as security and home automation have always been treated as two separate entities. The expertise, professionalism, and vision of MRFS makes this seamless."

Robin van Meeuwen
Managing Director
Crestron UK

"Dealing with MRFS is a pleasure. The company delivers a professional service to developers from design, through installation to commissioning. As a user

ourselves, we also find MRFS customer support to be a quality experience."

Nigel Rankine
Mayflower Developments

"As developers of bespoke luxury homes, Stonehaven Homes always place a high priority on security, and when it comes to recommending security partners for our clients, MRFS are at the top of the list. Giving an excellent service along with good value, our relationship is an important one and long may it continue".

Steve Shaw
Director
Stonehaven Group

SSR has been associated with Tony Bygraves and his well respected security systems business for over 10 years, we have had the pleasure of assisting him in his growth & diversification into fire, home automation and integrated systems by sourcing and supplying him with skilled sales, installation and service staff. His success is well deserved as Tony & his team have an in depth knowledge of the industries they serve which enhances the service they deliver.

Jeff Johnson
Director, Contract & Technical Personnel
SSR Personnel

"We have a great relationship with MRFS, which stretches back years. Its foundation is that we know so well that either our own requirements or, more importantly, the introduction of our clients' requirements, are attended to fastidiously, and there is always senior supervision of our relationship. More than that, MRFS are warm people to have any contact with."

Honeywell

I am delighted to confirm that MR Fire & Security Group Limited based in Kingston upon Thames is a Gent Approved System Integrator. As with all independent companies who are appointed as Gent Systems Integrators, MRFS has met our rigorous assessment criteria both commercially and technically. They are a fire systems provider with the resource and capabilities to design, supply, commission and service Gent by Honeywell fire detection and alarm systems.

Nikki Morgan
Honeywell Life Safety Systems
Marketing Manager

"MRFS have been our provider of choice for security to our business for a number of years, always delivering exceptional service and support. I have also used MRFS in a personal capacity at two properties over the past couple of years, utilizing their security, CCTV and gate automation services, and regularly recommend the services of MRFS to purchasers and friends. I am delighted to have an association with MRFS and expect our relationship to continue indefinitely."

Simon Pelling
Exclusively Surrey
Managing Director

"If you get a chance to work with MR Fire & Security, take it, you will not be disappointed. They are a company whose work force and management are a pleasure to do business with."

What our customers think

'CSL DualCom have been supplying world-class signaling systems to the MRFS Group for over 10 years and have always found them to be a forward thinking, proficient and dedicated Company. As the UK's leading supplier of dual signalling systems we work closely with Tony and his team on all facets of their business from the initial installation through to the ongoing monitoring and maintenance. We have always found the MRFS team to be thoroughly professional.'

Simon Banks
Commercial Director
CSL DualCom Limited

"The staff, Directors and clients of Willowmead Limited have enjoyed a long standing relationship with the MRFS Group. Our requirements for intruder alarm systems, together with C.C.T.V, gate automation and entry systems have been professionally and competitively met by all at MRFire & Security. We look forward to a further successful year working with the MRFS group in 2010. Thank you all for your help."

Nigel Carande
Willowmead Limited
Managing Director.

'Mendick Waring have an excellent working relationship with MR Fire & Scurity. and have worked together on many project over the past ten years. MR Fire & Scurity. are very proactive in offering design solutions that suit the application. We would have no hesitation in recommending MRFS for future work and look forward to working with them again soon.'

Fergus Traynor
Mendick Waring
Director

"We're proud of our association with MR Fire & Scurity. Their commitment to superior quality workmanship and service, and

their support of high standards for professional security installations, is consistent with our own core values. We share a common purpose of striving to provide world-class for protection for people and property."

James E. Ludwig
Texecom Ltd.
Managing Director

"In my career especially at Berkeley Homes (where I was Chairman) and in my own business at Consilium Developments I have been fortunate enough to work with many Companies who are extremely professional and deliver a high standard of quality workmanship, in my experience MR Fire & Security most certainly fall into this category"

Paddy Sweetnam
Consilium Developments
Director

"We have complete confidence in MRFS. Our company survives on reputation and so we have to be certain our suppliers will be as reliable as we are. Over the last 25 years our relationship with MRFS has only grown stronger as they continue to deliver exactly what they promise. I cannot recommend them highly enough."

Roger Sears
The Shield Guarding Company
Director

"Following years of an exceptional working relationship, I feel qualified to say that MRFS are delightful, customer driven and highly focused individuals to whom it has been my pleasure to be acquainted with. I am looking forward to many more years of our success."

Stuart Cole
Gascoigne Billinghurst
Partner

We have worked with MR Fire & Security for many years and have always found them professional, efficient and willing to go the extra mile. We would not hesitate to recommend them and look forward to continuing our working relationship with them in the future.

Award winning homes for the over 55s

"I have worked with Tony Bygraves and MR Fire & Security for some time and would be very happy to encourage any company or individual to employ them. Their staff are well trained, helpful, and on time, the work they have completed for Beechcroft Developments has been close to faultless."

John Shelbourne
Beechcroft Developments
Construction Director

"We have worked with MRFS over many years, on a number of high quality luxury developments, as well as smaller, "one-off" installations. They have always been professional, responsive and very keen to remain competitively priced."

Paul Silverwood. Davies Silverwood
Construction Management Ltd.

"Working in High End residences, many of which are Listed, requires keen attention to detail so as to protect the aesthetic. MRFS always help us with innovative ways to conceal cutting edge technology in Fire and Security systems in such sensitive buildings. This is important to us and long may it continue."
