

**It's so smart, it can protect you,  
entertain you, and give you more free time.**

Home automation technology should simplify your life, not complicate it. Technology should protect you, entertain you, keep you comfortable and give you more free time for the things that really matter.

Total Home Technology, brought to you by Crestron and installed by MR Fire & Security, streamlines and simplifies all the technology in your home, offering you the ultimate lifestyle of comfort, convenience and safety.

Eliminating the need to walk from room to room to adjust lights, temperature, audio-visual or security components; total control is at the fingertips with an easy-to-use colour touchpanel, remote or a customised keypad.

So for a home automation system that brings real peace of mind, think MR Fire & Security and Crestron Total Home Technology. call or email: [enquiries@mrfsgroup.com](mailto:enquiries@mrfsgroup.com) or log on to Crestron's website: [www.crestron.co.uk](http://www.crestron.co.uk)
